

SAEE Student Teaching Scholarship

**Sponsored by
The Southeastern Association for Employment in Education**

The *Southeastern Association for Employment in Education (SAEE)* would like to support two deserving student teachers that are completing their senior year of college. Each will be awarded a **\$500** scholarship. Scholarships will be granted on the basis of merit, academic excellence, commitment to the teaching-learning process, and financial need.

The *Southeastern Association for Employment in Education (SAEE)* began in 1985 to establish a link between school system human resource professionals and college or university career service professionals. The Association was later expanded to include college/university teacher preparation faculty, affirming a need to recruit and staff schools with excellent teachers.
